

Spring Promos, Renovations and More!

Spring Cleaning

Have you looked at the expiry date on your products lately?

Did you know that all beauty products have an expiry date? This can be found on the label. Once open, most beauty products are effective/fresh for a maximum of 12 months depending on the preservatives and ingredients used.

A more natural product expires sooner because more naturally derived preservatives are used. If your beauty product is actually "100% natural" it will have to be kept in the fridge.

Check on your products! They may start to smell "off", get sticky or not perform well if they have expired.

We are offering 20% off all hair products in April

(excludes Monat)

How would you like to WIN some free hair products?

Book any colour service with Jasmine in April and you will be entered to WIN \$100 worth of hair products picked just for you!

It's time for some renos!

We are no longer moving locations so instead we are planning for some changes to our space in the next few months! You can look forward to new shelves to place your bags and beverages, new shampoo basins and an improved shopping experience as we add more retail displays and products!

Just a gentle reminder that we do ask for a minimum of 24 hours notice when cancelling appointments.

Please remember we have reserved that time especially for you and "no shows" will result in a service charge or the loss of the opportunity to book future appointments with us. Thank You in advance for extending this courtesy to your stylist and other clients who may be on a waiting list.

(Sickness excluded)

Should you become ill, have any symptoms of Covid 19, are living with someone who is ill or in quarantine or have recently returned from travel out of the Country... please reschedule your hair appointment.
