

**LEAVE FEELING AS GOOD
AS YOU LOOK!**

Summer Fever!

Our gift to you!

Thank You for all of your support, patience and understanding as we re-opened and now navigate our business through this challenging time. To show our appreciation, we had some hand sanitizer custom made as a gift for you.

Be sure to get yours at your next hair appointment!

Models Needed!

We are thrilled to be introducing a new, direct from the UK, colour line in August! This new line contains 90% naturally derived ingredients, obtained from sustainable and renewable sources. Shea butter and Argan oil add conditioning, protection and shine for beautiful healthier looking hair. This nourishing formulation also improves colour intensity and luminosity while delivering longer lasting results (less fading).

We are in need of some hair models to allow us to play with our new colour line.

We will be offering a few HALF PRICE COLOURS with Shelly (after August 10th). We are looking for models who would like the following:

- Red (roots, all over red or red highlights)
- Grey coverage
- Has previously coloured dark hair wanting some caramel highlights
- Chocolate brown all over
- Cool blonde highlights

We will not be performing any colour corrections on our models. You **MUST email us** a picture of your hair and the colour you are interested in. We will contact you if we feel you are a **good match!**

As life gets back to "normal" we will soon be seeing a return to school.

Be sure to get that fresh back to school 'do booked ASAP

Is this heat making your hair dry?

Your Summer hair care should include hydrating shampoo/conditioner combos.

The Ultra Moist products by AG and the Loma Moisture shampoo and conditioning treatment are perfect for giving your hair the hydration it needs! We also offer hydration and protein treatments in the salon and these can be booked as an add on to your service or as a service on their own!

With this heat, vacations and visits to the beach/lake/swimming hole, some of you may be putting a little less effort into your styling your Summer hair. May we suggest a cream based product- such as AG details or ReCoil, Loma Calming Cream or Monat Air Dry Cream- to keep your locks frizz free? Also, for a "beachy" texture, you may want to try the AG Sea Salt or Texture Spray!

We also have the best leave-in conditioners to help get rid of tangles!
