HAIR TIPS AND TRICKS

10 Best Hair Tips and Tricks That You'll Ever Read

howrid.com

Why is my hair so oily?

A great read from our stylist friend DeVerne Augustus

First of all, sebum is perfectly natural. All healthy hair, scalps rather, produce sebum. It moisturizes your scalp and protects your hair.

How much you produce depends... It depends on hair type, hygiene, & lifestyle factors. If you feel your hair is oilier than it should be, read on my friend. Read on.

Good hair hygiene is always the first place to start. Washing your scalp well & often removes oils and gives you a fresh start. It's why I always say it is never a competition to see who can go the longest between washes, It isn't a badge of honor. [...]
