

REOPENING UPDATE

We know you are all so excited to get your hair done soon!!! Salons have been listed in Phase 2 of BCs ReStart Plan. However, we still do not have an exact date for re-opening, just the understanding that Phase 2 re-opening will begin May 19th and onward. **THIS DOES NOT MEAN WE WILL BE OPENING MAY 19TH.** We do currently still have an order to remain closed until

May 31st and Work Safe BC must first approve and release the reopening regulations, protocols and procedures before we are given the green light. So, while we are prepared, please bare with us until we have an EXACT reopening date in which we will share with you ASAP :)

A reminder: Salon Re-Opening Procedure

When we receive word that we are able to re-open, **priority will be given to those who already had appointments booked at the time we were ordered to close.** These clients who had already reserved appointment times will receive a telephone call from us to book their hair services. Next, we will call those who

have put themselves on our wait lists. Lastly, we will send out a newsletter announcing the reopening of our online booking system. If you did not previously have an appointment and would like to get onto a waiting list, please **email us** and we will reach out in the order we receive requests.

Please help us in being organized and fair by adhering to this procedure.
